

ABOUT KENNETH & AIMEE SHAW, FOUNDERS/OWNERS OF SHAW PBR

We have over 30 years experience with American Pit Bull Terriers, and truly believe pit bulls are wonderful, loving animals that deserve the chance to have a good life.

Originally intending to rehabilitate one to two dogs at a time, we now have over 40 adopt-a-bulls - and all are awaiting their forever homes. One major difference of Shaw Pit Bull Rescue, Inc. over most other rescues and shelters is that all dogs that come to us remain at our facility until new homes are found. We also do not utilize fosters - all dogs are in our personal care so that we can better monitor their health and answer any questions potential owners may have regarding behavior, etc.

We also do not have a staff - we both work full-time jobs, on top of the rescue work. Thankfully, we have a great group of volunteers and board members who help with fundraisers, events, networking and with 'doggie spa days'.

Fundraisers, adoption events, and sales of Shaw PBR merchandise are conducted to raise funds to keep our efforts going. Some of our merchandise includes T-shirts, decals, homemade peanut butter dog biscuits, calendars, one-of-a-kind hand-painted piggy banks and acrylic canvas paintings.

Our adoption fees range from \$100-\$150. All adopt-a-bulls are spayed or neutered; up-to-date on all vaccinations, including rabies and tag; on heart worm preventive; have been treated for fleas; and are micro chipped.

We currently have 4 pit bulls, a pot bellied pig, and a cat living in our household as our personal pets - and they all get along fine!

We Appreciate Your Support!

Help Us Save Lives!
ADOPT...DONATE...EDUCATE

"The pit bulldog, if it is a normal, sound member of its breed, will probably greet you like a long lost friend, turning inside out with pleasure and dancing out a jig with its front feet, prompting you to wonder how in the heck these dogs got a bad name, anyway."

- Diane Jessup

Shaw Pit Bull Rescue, Inc. has found forever homes for 115 American Pit Bull Terrier/APBT mixes (as of 6.27.14), since rescuing Mama Girl (I) in July of 2012.

Unfortunately, pit bulls are abused or neglected every day because of lack of education, responsibility, time, and money. Because of this abuse and neglect, many have become homeless or abandoned. This is where the "PitCrew" (board members and volunteers of Shaw PBR) step in. Originally intending to house and rehabilitate only one or two pit bulls at a time, we currently have over 40 dogs awaiting their forever homes; and are helping others find homes via our website and FB.

We would like to ask that you consider becoming a corporate sponsor for Shaw Pit Bull Rescue, Inc. so that we can expand our efforts. The "PitCrew" are strictly non-paid volunteers and rely solely on donations, fundraising and personal finances to support our cause. Expenses – medical treatment, vaccinations, spay/neuter; travel; food/shelter; and maintenance costs add up quick. Without the generosity and support of the public, none of the dogs that may find their way to us would get a second chance at a happy life.

Several levels of sponsorship are available - ranging from any amount an individual would like to give - up to a Titanium level for any corporate sponsors that would be willing to donate over \$5,000. All sponsors will be listed on our website and Facebook page; Kennel sponsors would also have a permanent tag affixed to the kennel stating that it was graciously purchased/donated by them; and, Silver and above sponsors would be listed on all flyers, brochures, press releases, websites and any other Shaw PBR media. No amount is too small...

Don't have the money or resources to donate? Please consider helping us by contacting companies that sell dog food, or brand-name dog food companies and asking if they would donate dog food to Shaw PBR. Or even consider asking your church group, school, team, or company to hold a dog food drive for us! You can ask colleagues and friends to donate a bag of dog food to help us feed the dogs in our care. We go through about 1,200-1,500 lbs of dog food a month, so the cost can add up quick. If dog food was donated - we could use the extra money to be able to build the indoor/outdoor facility to provide more comfort for our adopt-a-bulls.

We've already come a long way in just the last two years, and hope to continue to do so. With your help, we can continue to promote American Pit Bull Terrier education, adoption, and breed advocacy.

Please take a moment, now, to fill out the sponsorship form. You'll see that there are payment options for your convenience. We look forward to getting to know you and have you join us as a sponsor of Shaw Pit Bull Rescue, Inc.

We hope you will assist us in reaching our goal!
