

Annual Report

2016

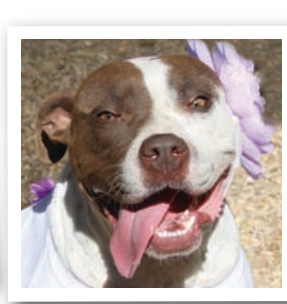

Shaw PBR Mission Statement:

Our goal is to provide abused, abandoned or homeless pit bull dogs with the medical attention they need; as well as the love and attention they deserve to heal - both emotionally, and physically.

We will work to facilitate the rescue and placement of abused or abandoned pit bulls into responsible homes and participate in fundraising to provide veterinary treatment; spay/neuter; food and shelter.

We are dedicated to fostering responsible pit bull ownership through education, adoption, and breed advocacy.

2016 SPAY IT FORWARD PROGRAM

With grant funding from the Bissell Pet Foundation, Shaw PBR was able to partner with Kerry Blanton, DVM at Animal Clinic of Columbus, and provide spay/neuter vouchers to pit bull owners that may otherwise be unable (or unwilling) to have their dogs altered.

During 2016, 18 pit bull-type dogs were spayed; and 8 were neutered, with assistance from the Spay it Forward program.
