

Annual Report 2017

Shaw PBR Mission Statement:

Our goal is to provide abused, abandoned or homeless pit bull dogs with the medical attention they need; as well as the love and attention they deserve to heal - both emotionally, and physically.

We will work to facilitate the rescue and placement of abused or abandoned pit bulls into responsible homes and participate in fundraising to provide veterinary treatment; spay/neuter; food and shelter.

We are dedicated to fostering responsible pit bull ownership through education, adoption, and breed advocacy.
